

AMPHI

A leading SETA accredited training provider

PURPOSEFULLY
UNIQUE

At Nampo 2020

Amphi is an accredited training provider that facilitates life changing training. Through our values we aim to make a meaningful impact on business, individuals and communities.

Although we train in all industries, our focus is in the Agriculture Industry.

In our purposefully unique way, we develop people, while assisting organisations with all the paperwork regarding SETA grant applications and claiming the tax rebate specifically designed for learnerships (12H).

NAMPO LEARNERSHIP SALE

Take advantage of our NAMPO special and book your learnership during September 2020 @ R 22 500 per learner, resulting in R6200* back in tax.
