

10 September 2020
VW Commercial NAMPO Special Offers

It's not just the
Amarok stopping
in time

It's a potentially
life-saving, off-road
ABS braking system

The Amarok. Not just tough, smart.

On the outside, you'll see the Amarok making tough look effortless. But what you don't see is the 3.0 TDI engine that combines 165kW of power and 550Nm of torque with outstanding fuel efficiency. You don't see the permanent 4MOTION® system or unique off-road ABS, ASR and ESP that ensure a steady ride over even the harshest terrain. You see the 1-ton payload being effortlessly hauled up a 45° slope, but you don't see the under-the-skin technology that makes tough possible.

Commercial
Vehicles

Range includes: 132kW BiTDI® Highline 4x2 and 4MOTION®, manual and automatic; 132kW BiTDI® Highline Plus 4x2 and 4MOTION®, automatic; 132kW BiTDI® Extreme 4MOTION®, automatic; 165kW V6 TDI 4MOTION®, automatic, available in Highline, Highline Plus and Extreme.
