10h00	PWC Discussion: Succession planning in family businesses Handing over the reins from one generation to the next can come with a range of complexities, but there are strategies to help smooth this process. The main goal should be to let business continue without interruption, especially on the financial front.
10h30	John Deere talks Mechanisation When it comes to mechanisation there is probably no-one better placed to talk about it than John Deere. With a long and proud history in South Africa, John Deere has always been at the forefront of agricultural machinery and technology, pushing the boundaries of reliability, service and affordability.
11h40	Theo Vorster & Lindie Stroebel: Hoekom ons marktoegang vir landbou moet uitbrei Theo Vorster gesels met Lindie Stroebel, die plaaslike bestuurder vir die internasionale avokado verspreidingsreus, Mission Produce, oor die onskatbare waarde wat marktoegang en internasionale netwerke vir ons landbou kan bied, en hoe dit verskil vir verskillende bedrywe.
12h00	Agri SA Droogtehulp gesprek met Christo van der Rheede Ten spyte van wydverspreide winterreën wat oor groot dele neergesak het, is daar steeds 'n groot nood in dele van die Noord-Kaap, Oos-Kaap en elders weens langdurige droogte. Producente in hierdie gebiede gaan verskeie "normale" reënval seisoene nodig om weer op dreef te kom. Christo van der Rheede kom gesels oor Agri SA se pogings om Droogtehulp aan dié gemeenskappe te bring.
